Secretary's Message

First off, I want to extend a huge thank you to all the people who contributed to an outstanding river clean-up. The number of volunteers and the amount of trash that was collected far exceeded last year's effort. We will be summarizing the results of the clean-up and providing a more formal thank you to all the donors and volunteers in next month's letter. For now, great job to everyone who participated in the clean-up. Let's make next year's clean-up even better.

Projects for 2007

TU Kid's Camp @ Georgetown Lake - Mid-June:

We will be sponsoring another TU Kid's Camp this summer at Georgetown Lake. Details of the event will be included in future letters.

Weed Pull - Mid-June:

The chapter will organize another weed-pull this coming June. Details of the event will be included in future letters.

First Cast Program at the Livingston Summerfest – July 21:

The chapter has reserved a spot at the Summerfest for this program. We will have a booth located in an area with plenty of room to practice casting. Now we just need volunteers to man the booth. Volunteers don't need to be particularly experienced at fly casting or fly tying. Remember, you will be teaching children that have never done this before. If you are interested in participating, contact any board member.
